**Enrollment in the Young Dancers Program is for the entire year.** There are no refunds unless medical documentation is provided. A trial class is a great option if you are not ready to commit to the class for the whole school year.

Tuition is due at the time of registration. Customers in good standing may make payments on an installment plan which will be automatically deducted from a credit card on file in five equal amounts: **at the time of registration, February 1, March 1, April 1, May 1.** Only students with tuition paid in full may participate in the end of year performances. A \$25 registration fee will be applied to the card on file once enrollment is complete. Families may waive this fee by submitting a Yelp or Google review.

If you would like to pay by cash or check please contact the office for manual registration information. Payments are due on the same installment schedule, above.
